June 28, 2021

Jarvis Christian College Reduces Tuition and Fees by 15% for Fall 2021

Hawkins, TX (June 28, 2021) – Jarvis Christian College will provide a more affordable and flexible pathway to higher education for students and families by reducing tuition and fees by 15% for Fall 2021...a similar reduction that was put in place in Fall 2012. The tuition and fees will be **\$9,962/year billed at \$4,981 per semester, a reduction of \$1,758 for the year. This amount is not inclusive of room and board.** Students who qualify for scholarships will be afforded the opportunity to apply for scholarships. We encourage all students to check with the College’s scholarship specialist, Ms. Crystal Hudson, at chudson@jarvis.edu or via phone at 903-730-4890, ext. 3005.

The decision to reduce tuition and fees was made in response to the global pandemic. Over the past year and three months, the administration, faculty and staff have worked together to rethink options and regroup to address the growing issue of college affordability and accessibility.

In the fall of 2021, incoming students will be able to live on campus, have access to an array of academic courses in a mixed model of face-to-face and online programs, including our newest programs in Mass Communication and Business Administration with concentrations in Cybersecurity and Healthcare Management. Additionally, students will have the options to participate in extracurricular activities, including leadership development, athletics and campus recreation, student organizations, community service, choir, band and much more with minimal financial stress.

“In the wake of the COVID-19 pandemic and its financial impact on students and families, we are making a concerted effort to expand upon the Jarvis Promise of providing an affordable college education within an environment that is academically challenging, supportive, nurturing, and responsive to the needs of the whole student” shared Dr. Lester C. Newman, President. “Jarvis is putting higher education back into the range that many more students and families can afford.”

#####

Jarvis Christian College (JCC) is a historically Black liberal arts, baccalaureate degree-granting institution affiliated with the Christian Church (Disciples of Christ). The College is a member of the United Negro College Fund and accredited by the Southern Association of Colleges and Schools.
