

AN ARTICULATION AGREEMENT

Between

JARVIS CHRISTIAN COLLEGE

Hawkins, Texas

and

COMPTON COMMUNITY COLLEGE

Compton, California

We, the undersigned, on behalf of *Jarvis Christian College* and *Compton Community College*, are entering into an arrangement that allows students to matriculate from *Compton Community College* to *Jarvis Christian College* to further their educational and career objectives.

The conditions under which this arrangement were reached are as follows:

Compton Community College will provide *Jarvis Christian College* with:

1. Transfer applicants who have maintained at least a cumulative grade point average of 2.0/4.0.
2. Transfer applicants who have completed the requirements for an Associate's degree which consist of courses that are both transferable and applicable toward a Bachelor's degree at *Jarvis Christian College* or a preestablished set of courses for students who would not maximally benefit from completing an Associate's degree at *Compton Community College*.
3. Current catalogs and/or course syllabi to keep course equivalences up to date.

Jarvis Christian College will:

1. Provide *Compton Community College* with current course equivalences in a timely manner.
2. Admit applicants from *Compton Community College* who:
 - a. have an overall grade point average of 2.0/4.0.
 - b. have completed a baccalaureate oriented Associate's degree or a minimum of 12 semester hours (excluding remedial course work) when it is determined that completion of an Associate's degree would not be in the best interest of the student.
3. Provide students with administrative and academic (faculty) contacts.
4. Assist eligible students with applying and qualifying for scholarships.
5. Send a representative to *Compton Community College* to meet with students at least once a year.
6. Assist *Compton Community College* Transfer Center personnel in identifying suitable professional mentors for students.

AGREEMENT EFFECTIVE: August 1, 2001
