

Coronavirus Aid, Relief, and Economic Security Act Section 18004(e)

The CARES Act included a Higher Education Relief Fund to provide Emergency Financial Aid Grants to students for expenses related to the disruption of campus operations due to coronavirus (including eligible expenses under a student's cost of attendance such as food, housing, course materials, technology, health care, and child care).

Jarvis Christian College has completed and submitted the Certification and Agreement to the Department of Education.

Jarvis Christian College method of allocating Emergency Financial Aid Grants is based on unmet need, using students' Total Financial Contribution calculated on individual ISIRS from their 19-20 FAFSAs.
